# Report (SRHA Breeders)

# SRHA Breeders Group

---

## Participants

2023 saw 16 stallions paid into the SRHA Breeders Group up from 12 paid into the program in 2022. See chart below.

## Champions

Open Division was captured by Vicki Bruan riding a **Modern Gun** filly named **MS Q** bred, raised, trained, and owned by BV Braun Ranch. A true testament of the BV Braun performance horse program.

Non-Pro Division was captured by Diane Latace riding a **Shiney Golden Gun** owned and shown by herself. Diane missed out the previous year by only ½ a point on her 3-year-old **Wright To Bear Arms**. She wasn't going to let that happen again. With her now 4-year-old, the duo came back with revenge and took home the Non-Pro 3 & 4 year-old BG Futurity title.

## Awards

Both Stallion Owners received a tooled leather topped stool and a glass trophy. The Owner/Rider of the Non-Pro 3 & 4 year-old and the Owner of the 3 year-old also received a tooled leather topped stool and a glass trophy.

## Sask Bred Grant

## Future Plans

If you aren't innovating, you are falling behind. In 2024 the Breeders Groups will include the July NRHA Rein & Shine Derby show where Breeders, Owners, Riders will be battling it out for prizes such as stools, glass trophies, horse blankets, etc.
