## POINT SYSTEM

SRHA Youth Incentive points can be collected 3 ways:

### 1. **Volunteer Hours** (REQUIRED 20 points):

Volunteers are what make these programs successful, so youth are encouraged to participate and get involved whenever possible. Therefore, 20 volunteer points are REQUIRED in order to receive an award at any level. You can collect these volunteer points by:

- Scribing for judges
- Cleaning arena droppings, etc.
- Helping with awards
- Assisting with entry sign up
- Running errands for show organizers
- Setting up or cleaning up for shows or jackpots
- Any other activities that help the show or jackpot run more smoothly

To help out at any shows, just talk to the show organizer or to one of the Youth Program Coordinators.

Points are awarded as follows:

- SRHA Jackpot Shows – 5 points/shift
- Stakes & Futurities Show – 5 points/shift

As the year progresses, you may also be able to earn volunteer points by helping out with clinics or fundraising events. You will be notified by one of the Program Coordinators when an opportunity arises. Any help you can provide will always be welcome.

### 2. **Shows:**

Remember to keep track of all the reining shows you attend during the year. Points are awarded as follows:

- SRHA Jackpots – 5 points/day of showing
- Stakes & Futurities – 5 points/day of showing
- Out of Province Reining Shows – 10 points for first day of showing and 5 points/day thereafter
- Reining Classes at Open shows/fairs (SQHA, AQHA, Breed) – 5 points/day of showing

### 3. **Clinics** (Maximum 20 points per year):

Clinics are worth 5 points each, and must be for the benefit of the rider and/or horse for reining discipline. Eligible clinics would include Reining, Judging, or Horsemanship.

Regular reining or horsemanship lessons may also be included, at a maximum of 10 points total.
